September SWE Meeting
SPSU SWE's Panel for Incoming Freshmen

September SWE Meeting

Tuesday September 20, 2011

6:30-8:30pm, Pure Taqueria (Inman Park)

Cost: \$20

[Register Now!](#)

Thanks for coming out to South City Kitchen Midtown to network with your fellow engineers. It was great to see some new faces and catch up with old friends. This month we'll be taking advantage of Inman Park Restaurant Week, visiting Pure Taqueria for some more good food and fellowship. Nancy Overley from Kennesaw State University will talk with us about their I-IMPACT program, which helps career-changers move from engineering into teaching for physics and chemistry for 7-12 grade.

Please visit our [events page](#) for more details and see the [menu](#) for your food choices.

SPSU SWE's Panel for Incoming Freshmen

Tuesday September 20, 2011

12-1pm, Southern Polytechnic State University Campus

We need just two more volunteers to assist Southern Polytechnic State University's (SPSU) SWE chapter with a panel/discussion event for incoming freshmen. We specifically need an Environmental Engineer and Industrial Engineer to have a full panel. This event is intended to present many fields of engineering and expose incoming freshmen to the engineering disciplines and help them understand some of their options. The panel discussion will not last longer than 45 minutes, and lunch is included. Please contact Beth White if you are interested in being a panelist.

Contact: Beth White, beth.white@merrick.com
