Hi SWE,

Hope you are having a great week! We are excited to announce the upcoming events in this month's newsletter so please see the details below for more information & check our [website](#) often for updates.

In this E-mail....

SWE National Conference
SERMACS 2011 Women Chemists Committee Luncheon
Society of Cable Telecommunications Engineers Expo
Pure Genius: STEM Expo
WOW! That's Engineering

SWE National Conference

October 13-15, 2011

The SWE National Conference will take place this week in Chicago, IL. Please respond to this email (general@sweatlanta.org) if you are going and would like to let us know. We hope to see you there and look forward to another great conference!

Networking Opportunities

Women Chemists Committee Luncheon - October 28, 2011

There are two upcoming professional networking opportunities. The first opportunity is for those who are attending the SERMACS 2011 conference in Richmond, VA over October 26-29th. There is a networking event with keynote speaker Katie Hunt from The Dow Chemical Company on Friday October 28th. Details about the networking event can be found in the attached pdf document.

Society of Cable Telecommunications Engineers Expo - November 14-17, 2011

The Society of Cable Telecommunications Engineers (SCTE) is hosting the SCTE Cable-Tec Expo in Atlanta at the Georgia World Congress Center November 14-17th. The Women in Cable Technology (WICT) also participates in this Expo and has extended an invitation to SWE Atlanta members to participate in portions of the Expo free of charge. Please see the attached pdf invitation and respond directly to Maggie Duffy at mduffy@scte.org.

Volunteer Opportunities

IEEE Women in Engineering (WIE) Helps with Pure Genius: STEM Expo - October 29, 2011

The IEEE WIE Atlanta Chapter is looking for volunteers to help with The Atlanta Girl Scouts' Pure Genius: S.T.E.M. Expo. The Expo will be held at the Georgia World Congress Center on Saturday October 29th from 10am-4pm. The IEEE WIE Atlanta Chapter needs volunteers to help host their

interactive booth themed "Laser Show in a Box". To operate the booth properly, 8 people are needed each hour of the day from 9am (set-up) to 5pm (tear-down). Volunteers need to work 2 hours minimum, and lunch will be provided. Please contact Cathy Freeman at c.freeman@ieee.org for more information and to confirm if you are able to volunteer.

SWE Atlanta's "WOW! That's Engineering" - December 10, 2011

WOW! That's Engineering is back! Please save the date on your calendar so you can volunteer at this exciting event hosted biannually by SWE Atlanta that is geared towards middle school girls. WOW! is an event that offers 6-8th grade girls hands-on opportunities with STEM (Science, Technology, Engineering, Mathematics) activities and a separate session for their parents, too. We need volunteers to help facilitate the activities and logistical details (such as set-up and registration). Please contact Beth White at beth.white@merrick.com for more information about the event or Stephanie Gossman at smizzell@southernco.com if you would like to put your name down as a volunteer. Look for more information coming soon!

Have a great week!
